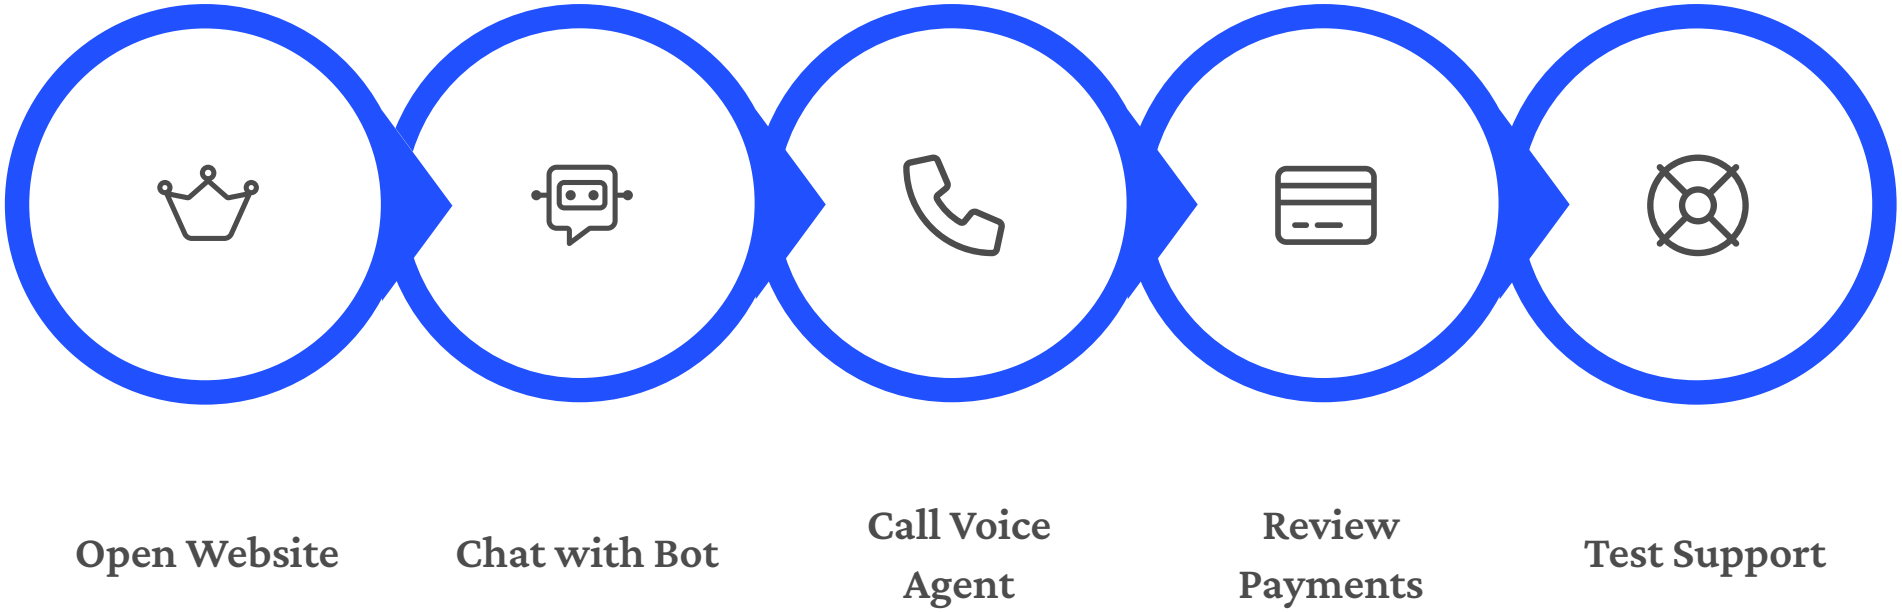
Your Venture Is Live.

AI Venture Builder Masterclass — Closing Session · 4:40–5:00 PM

THE CLIMAX OF THE DAY

Live Venture Walkthrough

Two participants. Projected on screen. The full customer journey — witnessed by the entire room.



After each walkthrough, the room votes: **"Would you buy from this business?"** This is what real validation looks like.

Below 85? Don't worry — you know exactly which modules to revisit. The roadmap is clear.

The ROI of What You Built Today

Same output. Fraction of the cost. This is the unfair advantage AI gives every founder in this room.

Capability	Traditional Cost	Your Cost Today
Brand Identity	₹50K – ₹2L	**₹0**
Website	₹50K – ₹5L	**₹0**
Chatbot	₹20K – ₹1L/mo	**₹2–5K/mo**
Voice Agent	₹1–3L/mo	**₹5–15K/mo**
Lead Generation	₹50K – ₹2L/mo	**₹5–10K/mo**
Sales Funnel & Content	₹30K – ₹1L/mo	**₹0**
Payment System	₹10–30K	**₹0**
Customer Support	₹50K – ₹2L/mo	**₹5–10K/mo**
Recruiting / Call Centre	₹1–3L/mo	**₹5–10K/mo**
Year 1 Total	**₹5–20 Lakhs**	**₹20–50K/mo**

10–40x cost advantage. You didn't just build a venture today — you built a competitive moat.

Your 7-Day Launch Plan

One focused action each day. By Sunday, you are open for business.

1 **Monday**

Refine website and chatbot based on today's feedback. Fix end-to-end test issues.

2 **Tuesday**

Finalize pricing. Set up UPI payment links. Create test invoices.

3 **Wednesday**

Publish first 5 social media posts from your content calendar.

4 **Thursday**

Send WhatsApp launch campaign to 50 contacts. Let the AI handle every reply.

5 **Friday**

Activate outbound voice agent. Target 20 prospects.

6 **Saturday**

Full end-to-end test with 3 friends. Collect feedback and fix gaps.

7 **Sunday**

LAUNCH. Share on LinkedIn. Start accepting customers.

One week ago, this venture did not exist.

Today it has a brand, a website, an AI workforce, and a growth engine. You built in one day what used to take months and hundreds of thousands of rupees.

> The only question is — when are you launching?
